

Corn Husk Painting

Supplies You Will Need:

- Pencil
- Yellow construction paper
- Corn husk
- Paint (red, yellow, orange, brown)
- Scissors
- Tape

Directions for Corn Husk Painting:

1. Draw an outline of the shape of corn on the cob on the yellow construction paper with pencil.
2. Dip any part of the corn husk into the paint, and then paint the interior of the outline until it is covered.

3. After it the paint dries, cut along the outline of the corn shape.
4. Attach pieces of the husk from the back of the corn shape and secure with tape.
