

Corn Husk Rubbings

Supplies You Will Need:

- Corn husk
- Plain construction paper
- Various crayon colors (red, green, orange, yellow, brown)

Directions for Corn Husk Rubbings:

1. Place corn husk pieces under the plain construction paper in a random pattern.
2. Rub crayon over the paper with the husk underneath to create an image on the paper.
3. Continue using different colors until all the husks have been rubbed over.
