

Corn on the Cob Prints

Supplies You Will Need:

- Indian corn
- Brown construction paper (or any color)
- Various paint colors (red, green, orange, yellow, brown)
- Optional: paint brush

Directions for Corn Husk Rubbings:

1. Dip the Indian corn in paint or apply the paint with a paint brush.
2. Roll the painted Indian corn across the construction paper.
3. Continue to apply paint, then roll until the paper is covered with corn prints that are going in various directions.
