

Corn On The Cob

Supplies You Will Need:

- Toilet paper tube or ½ of a paper towel tube
- Plain construction paper
- Glue or glue stick
- Paint (various shades of yellow)
- Craft stick

Directions for Making Corn on the Cob:

1. Cover the toilet paper tube with plain construction paper and secure with glue.
2. Dip fingertip in paint and begin to dot paint on the tube to make corn kernels. Continue until the tube is covered.

3. After it the paint dries, stuff the inside of the corn on the cob with plain construction paper.
4. Cut the craft stick in half. Attach the craft stick pieces on each end, then play the corn on the cob game.
