

The Love Bug

Supplies:

- Red and black construction paper
- Scissors
- Glue
- Black marker
- Pipe cleaner for antennae

Directions:

- Cut out a semi-circle for the head using the black construction paper
- Cut out a large circle for the body using the black construction paper
- Cut out a heart shape using the red construction paper
- Glue the red heart to the large black circle to make the wings of the ladybug
- Glue the semi-circle over the top of the pointed end of the heart shape
- Make black dots on the red heart using the black marker
- Attach the pipe cleaner for the antennae
