

Valentine Flower Made of Hearts

Supplies:

- Red, pink, and green construction paper
- Scissors
- Glue

Directions:

- Cut out 3 pink hearts and 3 red hearts (all the same size)
- Glue the hearts in an alternating pattern to form a flower
- Cut out a small pink circle and glue it in the center of the flower
- Cut out 2 small green hearts and a green stem
- Glue the green hearts to the stem to make the leaves and glue the flower to the top of the stem
